BIG 12 CONFERENCE

The Big 12 Conference begins its 29th year as one of the nation's premier athletic conferences under the direction third-year commissioner Brett Yormark. West Virginia and TCU joined the league on July 1, 2012, and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma State, and Texas Tech. Since then, the Big 12 has added four new members, BYU, UCF, Cincinnati, and Houston in 2023. As well as reinstated Colorado, Arizona, Arizona State and Utah in 2024.

With 16 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. Since it began competition in 1996-97, the league boasts 87 NCAA team titles and 764 individual national championships.

WVU COLISEUM

West Virginia plays its home matches inside the 14,000-seat WVU Coliseum. Director of Athletics and Vice President Wren Baker, in conjunction with the Mountaineer Athletic Club, continues to make significant progress in the Climbing Higher Campaign. In 2020, it was announced that a major leadership gift was povided to replace the 50-year-old Coliseum seats that summer. Along with the seats, capital funds were provided to replace the video and ribbon boards in the arena that same year.

The Coliseum floor also received a new look in the summer of 2019, in addition to more than $20 million in upgrades in 2016, becoming one of the nation's supreme showcases for college volleyball. Whether it is during the day, when the sun shines down on the massive structure, or at night, when its golden lights make it an evening showcase, the Coliseum stands as one of the most striking facilities on the WVU campus.

JEN GREENY

» HEAD COACH

Vice President and Director of Athletics Wren Baker announced Jen Greeny as the fifth volleyball head coach in the program's history in December of 2023.

Greeny came to WVU from Washington State, where she spent 13 seasons at the helm of the Cougar volleyball program and led WSU to three consecutive seasons with 20 wins or more. She brings a 347-199 (.636) career record to West Virginia, while she compiled a 235-175 (.573) overall mark during her time in Pullman.

A native of Davenport, Washington, Greeny brought Cougar volleyball back into the national spotlight with eight consecutive NCAA Tournament appearances from 2016-23 and 12 American Volleyball Coaches Association (AVCA) All-America selections. The Cougars finished in the AVCA Top 25 six times during her time at WSU, including the past four seasons.

Having been a part of the two best postseason runs in program history as both a player (1996 NCAA regional appearance) and an assistant coach (2002 NCAA regional appearance), Greeny inherited a Washington State team that went 0-18 in conference play in 2010, the year before her return to Pullman. She and her staff transformed the program into a perennial force in the Pac-12, reaching the NCAA Round of 16 as a head coach for the first time in 2018.

The Cougars matched the volleyball program record for most conference wins (14) in a single season in 2022 and 2023 and finished third the final Pac-12 standings in each season, marking the best conference finish during Greeny's 13-year tenure and the best since the 2002 WSU team that reached the NCAA regional championship.

In 2023, Greeny and Washington State finished with a 26-8 overall record, reaching 20 wins for the third consecutive season to mark

the first such stretch since 1995-97. The Cougars' 26 wins in 2023 also marked the highest win total for any team under Greeny and the highest single-season win total since 1997. Additionally, WSU knocked off the eventual NCAA National Champions and then-No. 6 Texas, 3-1, at the start of the 2023 campaign.

WSU was selected as a No. 4 seed in the 2023 NCAA Volleyball Tournament, earning its eighth consecutive postseason bid, the longest stretch in program history. Washington State was selected as a host site for the 2023 tournament, marking the first time since 2018 that the tournament had been hosted in Pullman. WSU advanced to the NCAA Round of 16 for the second time in Greeny's tenure.

A two-time Pac-12 Coach of the Year (2016 & 2021), Greeny has coached 12 of the Cougars' 16 AVCA All-Americans while her teams have produced 39 total postseason all-conference honors, including 17 first team All-Pac-12 selections. A former CoSIDA Academic All-American during her time as a Wazzu student-athlete, Greeny's teams also have produced 45 Pac-12 All-Academic nods and a pair of Pac-12 Scholar Athlete of the Year award recipients.

Greeny began her collegiate coaching career with a five-year stint at Lewis-Clark State College in Lewiston, Idaho. Prior to turning around the LCSC program, which she led to a 112-24 (.824) record during her tenure, Greeny spent four years on WSU coach Cindy Fredrick's coaching staff. Her time as an assistant coach at WSU was highlighted by the Cougars' second-ever appearance in the regional championship of the NCAA Tournament in 2002.

As a volleyball student-athlete at WSU, she became the seventh player in Washington State history to reach 1,000 career kills and was a three time All-Pac-10 Conference selection. Greeny (Stinson) still ranks eighth in career block assists (360), fourth in total blocks (419) and eighth in solo blocks (59). Greeny received invites to train with the U.S. National Team during her playing days and has since held roles as a talent evaluator and assistant coach with USA Volleyball. She was an assistant coach on the 2016 USA Volleyball Collegiate National Team and was later invited to join the USA volleyball staff for the 2022 Women's National Team Open Program.

Greeny earned her bachelor's degree in elementary education from Washington State in 1999. She and her husband Burdette, a former standout pitcher at WSU and an assistant coach on Greeny's staff in Pullman, have two daughters, Lauren and Leah.

BURDETTE GREENY

» ASSOCIATE HEAD COACH

With 16 years of coaching experience under his belt, Burdette Greeny was named the associate head volleyball coach at West Virginia in January of 2024.

Greeny recently completed his 13th season with at Washington State in 2023 and was instrumental in WSU's eight consecutive NCAA tournament appearances. He joined the Cougar volleyball program in March 2011 as an assistant coach and was promoted to associate head coach in February 2017. Washington State finished the season in the AVCA Top 25 in four of the last five years including each of the past three seasons.

With a coaching style that emphasizes serving, passing and defense, the Cougars have finished in the top 50 in the NCAA in blocks per set each of the past nine seasons including the third-best mark in Division I volleyball back in 2016 (3.23 b/s). Washington State finished the 2022 season with the 16th-best team hitting percentage (.280) in the nation, the second-best all-time mark in Cougar volleyball history.

Greeny consistently brought in top-level recruiting talent with some of the Cougars' most highly touted classes raising the level of play in recent years. Pia Timmer and Magda Jehlarova each joined the WSU volleyball roster prior to the start of the 2019 season and grew into perennial all-conference performers. The pair were instrumental to WSU's seventh-straight NCAA Tournament appearance in 2022 after a 14-6 Pac-12 season, the most conference wins in program history. WSU was one of only 15 programs in the nation to have two top 25 and one honorable mention recruiting class between 2013 and 2015. The 2013 and 2015 recruiting classes are two of the highest-ranked recruiting classes ever in any sport at WSU. Among Greeny's WSU recruits are six PrepVolleyball.com Top 100 players and two Gatorade State Players of the Year.

A leader in DI volleyball recruiting, Greeny and the WSU coaching staff also were successful in using the NCAA transfer portal to build their roster of talented student-athletes who also fit the culture of Cougar volleyball. WSU volleyball added multiple starters in recent off-seasons, including Iman Isanovic, an honorable mention all-Pac-12 selection, prior to the start of the 2023 season. Greeny also helped recruit Laura Jansen, an All-Sun Belt selection before committing to WSU, who went on to earn Pac-12 all-conference honors after one season on the Palouse. The Cougars also added starting libero, Karly Basham, to their roster as a transfer prior to the start of the 2021 season.

The first high school recruit signed by Greeny was libero Kate Sommer who broke WSU's career digs record with 1,954 digs. Among the 2013 recruiting class, which was the first real recruiting class for the Greenys, ranked 14th-best nationally, was Kyra Holt who became an honorable mention AVCA All-American, All-Pacific North Region and two-time All-Pac-12 selection. Holt also found success later as a professional player and is one of six players that Greeny has coached who have gone on to play professionally.

Middle blockers Taylor Mims and Claire Martin were signees in the 21st-best national recruiting class in 2015. As sophomores in 2016, Mims and Martin each finished in the top 25 nationally in blocks per set and total blocks. Greeny was integral to the recruitment and development of these front row players who became one of the elite blocking units in the nation. In 2016, WSU was number two in team total blocks behind national champion Stanford and third-best nationally in team blocks per set, a significant factor to WSU finishing fourth among all Power 5 conference schools and 26th overall in opponent hitting percentage. In 2017, the Cougars were sixth-best nationally in team total blocks and 11th in team blocks per set.

Burdette Greeny assisted his wife Jen at Lewis-Clark State College from 2007-10 as an assistant coach. He was one of 20 assistant coaches nominated for the 2009 NAIA National Assistant Coach of the Year Award. He was promoted to associate head coach at LCSC in 2010. Greeny's recruiting resume at LCSC included three junior college first team All-Americans, one second team All-American, one Gatorade State Player of the Year, two state players of the year and 12 first team all-state selections. In four years, 37 total LCSC players were named to the conference all-academic teams and seven players were recognized as NAIA Volleyball National Scholar-Athletes.

Out of high school, Greeny was drafted by the New York Mets, but instead played basketball and baseball at Tacoma Community College (1993-95). He earned second-team All-West Region honors both years as a third baseman and set a school record with 17 strikeouts in one game. He pitched for WSU in 1997, winning the team's award for strength and conditioning. He later signed as a free agent with the Milwaukee Brewers before the 1998 draft and was with the organization for two seasons.

Greeny earned a degree in humanities with an emphasis in English from WSU in 1999. From 2000 through 2007, he was the head coach in the Pullman American Legion Baseball organization where his teams won two regular-season titles, one district title and made the first appearance by a Pullman team at the state tournament since 1968. He tallied the first state tourney win in the program's 60-year history and saw 88% of his American Legion players continue their careers at the collegiate level. Greeny spearheaded the development of the Palouse Summer Series which brings to Pullman some of the best amateur select and American Legion teams in the state and Canada. He was the recipient of the 2005 Pullman Chamber of Commerce STAR (Supporting Tourism and Recreation) Award.

Burdette and Jen Greeny were honored in 2015 with a City of Pullman Chamber of Commerce Walk of Fame plaque. They have two daughters, Lauren and Leah.

SEASON OUTLOOK

As the West Virginia University women's volleyball team heads into the 2024 season, it's time to hear what head coach Jen Greeny expects to see from her team this season.

Entering her first season with the Mountaineers, Greeny looks to all her players and staff to step up and make an impact. Following the 2023 season, Greeny went searching in the portal to find the missing pieces to this squad and she is confident with her choices. Her hopes are for the transfers, returners and newcomers to be able to build chemistry and compete at the highest level.

The Mountaineers are certain to give it their all on the volleyball court this fall. With the first competition in sight, Greeny sat down to share her thoughts on the Mountaineers' upcoming season.

What are your expectations for the 2024 season?

We are looking to build our team culture and teach our system to the newcomers as well as the returners. We want to work on the fundamentals of volleyball and be able to compete at the highest level with the Big 12 conference.

How do you bring motivation to the squad following the 2023 season?

The motivation has been very high, especially from the returners. Of course, when you bring new players in as well you are just trying to get the team chemistry together as quickly as possible. But I think overall the level of motivation has been pretty high.

You have a lot of new faces joining the team. How has it been getting them adjusted?

It's always hard over the summer when coaches can't have direct contact, but I think overall all the returners have done an excellent job getting our new player acclimated to our system, as well as the university and Morgantown. We also went on a team retreat, that really helped with building chemistry before we started practice and then of course fall camps we spend a lot of time together so that helps mold the team rather quickly.

Are there any newcomers that could make an impact?

Laila Ibrahim, she was an all-conference player at Coppin State then with Sydney Reed and Alexis Finnvold being apart of two top-four programs, they all know what it takes to win.

Who are your key returners from the 2023 season?

Hailey Green, Lauren DeLo and Maddy McGath. They all were starters in 2023, they were key to last years team so I think they will greatly impact this year's squad as well.

Who are you expecting to take the biggest jump this year both in terms of talent level and their role on the team?

Laila Ibrahim, this is definitely a level up for her from where she has played. We might ask her to play out of position a little bit because she is a very good athlete.

WVU VICE PRESIDENT/DIRECTOR OF ATHLETICS
WREN BAKER

The Baker Family: Reagan, Addisyn, Heather and Wren

In his first two years as West Virginia's vice president and director of athletics, Wren Baker has faced every challenge head on and has never looked back. His energy has ignited a department, which turned in unprecedented success in 2023-24.

A bowl victory, a men's soccer College Cup appearance and a first-ever baseball Super Regional were just some of the big moments in year two under Baker, and his high-energy and success have been contagious for Mountaineer Athletics in competition and in the classroom.

Athletic success and best-ever academic achievement by Mountaineer student-athletes have highlighted Baker's tenure, while the department also turned in its second-best fundraising numbers ever during the 2024 athletic year.

Baker's success at WVU did not come overnight. He first traveled the state to learn its culture, met Mountaineer fans from all over the world and immersed himself on what it meant to be a proud West Virginian. The results of Baker's approach and work ethic speak volumes and have re-energized West Virginia Athletics.

Despite already hiring five new head coaches, creating a 20-year facility master plan and developing the department's strategic vision for the coming years, Baker's plate continues to be full. Budget concerns, a competitive NIL structure, lack of premium seating options in his two major sports venues and new revenue generation are being addressed by his administration to solidify the future of West Virginia Athletics.

WVU President E. Gordon Gee named Baker as WVU's vice president and director of intercollegiate athletics on Nov. 30, 2022. He has oversight of 18 varsity sports, a department budget of more than $90 million, approximately 250 employees and nearly 500 student-athletes.

Baker is WVU's 13th director of athletics and came to Morgantown from the University of North Texas, where he had been the associate vice president and athletics director since 2016. With previous stops at Missouri, Memphis, Northwest Missouri and Rogers State, he brought more than 20 years of experience to WVU.

At North Texas, seven Mean Green programs combined to win 17 conference or division championships during Baker's tenure. UNT also reached new heights in the classroom under Baker's leadership, posting its top APR scores and four consecutive department Graduation Success Rate (GSR) records. Baker led record fundraising years at North Texas, and the overall top five largest gifts ever at UNT came under Baker's leadership.

Prior to North Texas, Baker was the deputy director of athletics at Missouri from 2015 to 2016, serving as the top advisor and chief of staff.

Before Missouri, he spent time at Memphis from 2013-15 as deputy athletics director.

From 2011-13, Baker was athletics director at NCAA Division II power Northwest Missouri State. From 2006-11, Baker served as the first athletics director at Rogers State in Claremore, Oklahoma, where he was also the school's first men's basketball coach. His team went 20-11 in his only season at the helm, and during his tenure, he developed a full-scale, competitive collegiate athletics program. In 2005, he was the principal and athletics director for Valliant Public Schools, and at age 26, was the youngest principal in Oklahoma history.

Originally fom Valliant, Oklahoma, Baker earned his bachelor's degree in education from Southeastern Oklahoma State in 2001 where he was a member of the honors program. He went on to earn his master's degree in education leadership from Oklahoma State in 2003.

While at Oklahoma State, Baker was a graduate assistant and basketball operations assistant for the Cowboys' men's basketball program under legendary head coach Eddie Sutton. During his time with OSU, the Cowboys posted a 102-30 record, reaching four NCAA tournaments with trips to the 2004 Final Four and the 2005 Sweet 16.

Baker and his wife, Heather, a Bokchito, Oklahoma, native, have two daughters, Addisyn and Reagan.
